standard size pages, or the first 100 pages of computer printout. If we cannot use this method to calculate the fee reduction, then we will reduce your total duplication fee by the normal charge for photocopying a standard size page, multiplied by 100.

(d) We will not charge you any fee at all if the costs of routine collection and processing of the fee are likely to equal or exceed the amount of the fee. As of May 1987, such costs among the units HHS ranged between $6.00 and $12.50.

(e) If we determine that you (acting either alone or together with others) are breaking down a single request into a series of requests in order to avoid (or reduce) the fees charged, we may aggregate all these requests for purposes of calculating the fees charged.

(f) We will charge interest on unpaid bills beginning on the 31st day following the day the bill was sent. We will use the provisions of Part 30 of this Title in assessing interest, administrative costs, and penalties and in taking actions to encourage payment.

(g) This subpart does not apply to requests for Social Security program records on Social Security number holders, wage earners, employers, and claimants, where the requests are governed by section 1106 of the Social Security Act, 42 U.S.C. 1306(c), and by 20 CFR 442.441.

§ 5.43   Fee schedule.

HHS charges the following fees:

(a) Manual searching for or reviewing of records—when the search or review is performed by employees at grade GS–1 through GS–8, an hourly rate based on the salary of a GS–5, step 7, employee; when done by a GS–9 through GS–14, an hourly rate based on the salary of a GS–12, step 4, employee; and when done by a GS–15 or above, an hourly rate based on the salary of a GS–15, step 7, employee. In each case, the hourly rate will be computed by taking the current hourly rate for the specified grade and step, adding 16% of that rate to cover benefits, and rounding to the nearest whole dollar. As of November 25, 1988, these rates were $10, $20, and $37 respectively. When a search involves employees at more than one of these levels, we will charge the rate appropriate for each.

(b) Computer searching and printing—the actual cost of operating the computer plus charges for the time spent by the operator, at the rates given in paragraph (a) of this section.

(c) Photocopying standard size pages—$0.10 per page. FOI Officers may charge lower fees for particular documents where—

(1) The document has already been printed in large numbers,

(2) The program office determines that using existing stock to answer this request, and any other anticipated FOI requests, will not interfere with program requirements, and

(3) The FOI Officer determines that the lower fee is adequate to recover the prorated share of the original printing costs.

(d) Photocopying odd-size documents (such as punchcards or blueprints), or reproducing other records (such as tapes)—the actual costs of operating the machine, plus the actual cost of the materials used, plus charges for the time spent by the operator, at the rates given in paragraph (a) of this section.

(e) Certifying that records are true copies. This service is not required by the FOIA. If we agree to provide it, we will charge $10 per certification.

(f) Sending records by express mail, certified mail, or other special methods. This service is not required by the FOIA. If we agree to provide it, we will charge our actual costs.

(g) Performing any other special service that you request and we agree to—actual costs of operating any machinery, plus actual cost of any materials used, plus charges for the time of our employees, at the rates given in paragraph (a) of this section.

§ 5.44   Procedures for assessing and collecting fees.

(a) *Agreement to pay.* We generally assume that when you request records you are willing to pay the fees we charge for services associated with your request. You may specify a limit on the amount you are willing to spend. We will notify you if it appears that the fees will exceed the limit and ask whether you nevertheless want us to proceed with the search.
